Our Ref: Fol/Req/2020/009

14th February 2020

Dear Mr. Farrell,

I refer to the request which you have made under the Freedom of Information Act 2014 for access to records held by this Department, as follows:

'A list of all the gifts presented by the Tánaiste in 2018; please include a description of the gift, the cost, where it was purchased, and to whom it was given.

A list of all the gifts received by the Tánaiste in 2018; please include a description of the gift and who gave it.

A list of all the gifts presented by the Tánaiste in 2019; please include a description of the gift, the cost, where it was purchased, and to whom it was given.

A list of all the gifts received by the Tánaiste in 2019; please include a description of the gift and who gave it.'

I refer also to the acknowledgement of your request which was sent to you on 15th January 2020.

I have identified four records that fall within the scope of your request. The records are listed in the schedule attached. I have made a decision to grant four of the records.

These include records which outlines the gifts given and received by the Tánaiste and Minister for Foreign Affairs and Trade, a description of the gift and details of the recipients or the presenter of gifts for both 2018 and 2019 as requested. For gifts given, it also includes the prices and where the gifts were purchased as requested.

There is no requirement to retain lists of modest gifts of the type customarily presented to office holders of this Department. However, a list of gifts received by the Tánaiste and Minister for Foreign Affairs and Trade has been retained by his office since June 2018, which includes a description of the gift and details of those who offered the gifts and is included in the records.

Under section 15 of the Ethics in Public Office Act (1995) gifts presented to office holders valued in excess of €650 are deemed to be gifts to the State and must be recorded accordingly

following valuation through the Office of Public Works. The Tánaiste and Minister for Foreign Affairs and Trade did not receive such gifts in the period requested.

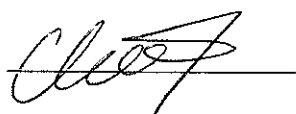

It is standard practice to exchange modest gifts between Ministers and visiting dignitaries during ministerial and other high level visits. Gifts presented by Ministers of the department are sourced in Ireland or are of Irish interest and are purchased on a basis of the most economically advantageous cost savings arrangements, value for money and high quality products. The nature of the gift is given particular care to ensure that it respects the culture and relevant requirements of the recipient. The exchange of gifts provides a platform to promote Irish craftsmanship and goods internationally and helps to strengthen the economic and cultural links between the countries involved.
