Emma

fairly similar positive comments here – my main utility (if any) is anticipating the queries that other non-experts may have.

Happy to discuss this evening or in the morning but equally happy to share with Michael /Jean for their obs at this stage

many thanks

G

Emma,

I'm afraid my feedback is of minimal use. Nutshell: I agree all your thoughts on this matter. I've replied to your comments in the attached.

Thanks a million for doing this.

Best,
Sarah

Both,

Here is a skeleton for discussion when suits.

Best,

Emma
