Copies of all minutes/notes of meetings and telephone calls between the Department of Foreign Affairs and Trade and representatives (current and former) of any other Irish organisation (including but not limited to Non-Governmental Organisations, public bodies and charities), in respect of any proposal to require that tobacco products are sold in standard or plain packs, including without limitation the proposed measures contained in the General Scheme of the Public Health (Standardised Packaging of Tobacco) Bill 2013 since 1 January 2012.
