To the Freedom of Information Officer,

Under the terms of the Freedom of Information Act 2003, I am requesting copies of all documentation held by the Department of Foreign Affairs relating to the topic of Scottish independence or which make reference to the Scottish referendum on independence.

This would include internal correspondence, such as ministerial briefing notes, discussion documents, memos, media monitoring and correspondence with other Government departments and state agencies.

It would also cover any correspondence between the Department and outside agencies such as the UK Government, the power sharing administration in Northern Ireland and political parties.

My preferred method to receive this documentation is by post to the address below. Please do not hesitate to contact me by phone if there are any problems. I enclose payment of Euro 15.

Yours sincerely,

Paul Colgan
