For the attention of the FOI officer,

In accordance with the Freedom of Information Act 2014 I request the following records which I believe to be held by the Department of Foreign Affairs:

- The number of people repatriated under the Irish Citizens in distress scheme in the year to date
- A breakdown of the countries they have been repatriated from in the year to date and the number from each
- The cost of the scheme in the year to date

If you decide to withhold an exempt portion of any record please release all other non-exempt parts of the information. If any portion of the requested records is withheld, please specify which statutory exemptions under the FOI Act are being relied upon for each exemption. Please describe each record withheld, including its date and reason for exemption.

As I will not be in the office at the time this request is processed I request that all future correspondence in relation to this request be directed to [redacted]. Aine can also be contacted at [redacted].

Thank you for your time on this matter.

Sincerely,

Pamela Duncan/Aine McMahon
