Dear Sir/Madam

Freedom Of Information Request (Tender Reference JAN308355)

I am seeking information in relation the functionality that the Irish Passport Office intends to use to enable Irish Passport Holders to apply for the New Passport Card via Mobile Phone/Tablet and Online Application Systems.

I understand that this functionality request was part of a two stage tender process. Stage 1 was an Expression Of Interest Notice and Stage 2 was to provide a more detailed requirement.

This Expression Of Interest Notice is for Passport Booklets, it states in section 1.4, that a more detailed document outlining the requirements will be published on the etender website in due course. I checked the etender website and was unable to find this detailed document.

I am seeking the details from this Stage 2 detailed document which were used to describe the functionality which I have outlined above, including the date that these details were distributed to the companies who were qualified to proceed to Stage 2 of your tender process?

I am seeking information regarding the number of companies who qualified to proceed to Stage 2?

I am seeking the details for when the Contract Award Notice for this tender and its details were published on the etender website?

I would like to thank you in advance for your help with my requests.

Kind regards

Brian Somers
