Under the Freedom of Information Act 2014, I seek to view all prepared notes/memos etc intended for Department of foreign affairs ministers, Secretary General and Ass. Secretary General for the visit of Rwandan president Paul Kagame in March 2014.

I seek to view minutes/memos etc relating to meetings held with President Paul Kagame by any and all of the aforementioned officials and politicians at the time of his visit to Ireland in March last year.

Best regards,
