Dear Freedom of Information Officer

I was wondering could you provide me with the following information under the FOI Act 2014 in which I understand the Department would hold

- A) The amount the Department spent on purchasing laptops, tablets, PCs and mobile phones for work related business in the Irish Embassy and other Irish Consulate General offices in the US for the years 2013,2014 and to-date in 2015
- B) The number of laptops, tablets, PCs and mobile phones that were purchased in each of those years
- (C) If the contract to supply laptops, tablets, PCs and Mobile phones to Irish Embassy and Consulate General Offices in the US went out for public tender; If so the name of the company that was awarded the contract; Also when the contract is next due for renewal

Yours Sincerely
Eamonn Patterson
