Dear sir/madam,

In accordance with the Freedom of Information Act, I request access to records which are non-personal and which I believe are held by the Department of Foreign Affairs.

I request the following records relating to the proposed nuclear power plant to be built at Hinkley Point in the United Kingdom.

- A copy of all reports and documents prepared by the department on the matter between June 1, 2015 and the date of this letter.
- A copy of all reports and documents prepared for or submitted to the department on the matter between June 1, 2015 and the date of this letter.
- Correspondence to/from the minister's office about the proposed Hinkley Point plant.

My preferred form of access is to receive copies of the records via email.

I am willing to receive my information in Microsoft Excel format where necessary.

Where sensitive information that cannot be released under the Freedom of Information Act is an issue, I am willing to receive redacted information.

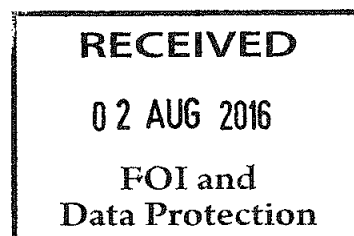

I am happy to discuss any aspect of my request insofar as it would help to clarify anything or make the process as efficient as possible.

I appreciate your time in considering my request.

Sincerely,

Wayne O'Connor
