Hi Frances

I am happy to amend this request along the lines you have suggested. i.e.

Copies of all correspondence to/from Irish Aid to/from the chief executives of the following organisations from 1 January 2016 to date:

1. Concern Worldwide
2. Trócaire
3. Goal
4. Misean Cara

In relation to the other request on expenditure by Irish Aid over €500.

You mentioned before that one way of limiting the scope would be to only seek expenditure between €500 and €1000. Is that a possibility? I'd be happy to amend the request to those parameters if it is.

Regards,
