Permanent Representation of Ireland to the EU, Rue Froissart 50

Tuesday 21 May 2019

18:00 – 20:00

The Permanent Representation of Ireland to the EU will host an information evening on EU careers and preparing for EU competitions on Tuesday 21 May at 18:00. The evening will offer Irish citizens interested in a career in the EU Institutions a unique opportunity to hear directly from the European Personnel Selection Office (EPSO) on how the selection process operates. There will also be information on the supports that the Irish Government provides to Irish participants in EPSO competitions.

The session will cover different employment opportunities ranging from traineeship and contract agent positions to permanent positions. There will be a focus on the AD5 Generalist Administrator competition, the next iteration of which is to be launched on Thursday 23 May. Further details about this competition will be published on the EPSO website at the following [link](#) (the deadline for applications is 25 June 2019). Come along and get your questions answered.

The evening will conclude with a networking reception.
