27424102	Refused	OC:- Observe the conditions of the visa - the visa sought is for a specific purpose and duration:- the applicant has not satisfied the visa appeals officer that such conditions would be observed.  Refusal reasons: OC:- Observe the conditions of the visa - the visa sought is for a specific purpose and duration:- the applicant has not satisfied the visa officer that such conditions would be observed. The applicant has applied for a re-entry visa to repeat his masters in NCI after he failed last year. It is noted that the applicant had an attendance record of 67%. As is stated on the INIS website, a student applying for a re-entry visa must have a minimum attendance record of 80%. It is estimated that your academic year including lecture weeks, pre-exam preparation and exam sittings total approximately 40 weeks in duration. You have accounted for 2 weeks with illness certificates which should give you an attendance figure of 95%. Your poor attendance figure indicates you failed to attend college on a regular basis and thus increased your chances in being unsuccessful on your course, and thus failing to complete it within the timeline expected.
