The first round of the Working Holiday Programme 2022 will open on the **29th of April 2022 at 9am**. **The first round** has a limit of **100** applicants and only the applicants who email their application after **9am** on the **29th of April** will be considered.

The **Ireland-Chile Working Holiday Agreement** allows up to **200** young Chilean applicants (aged between 18 and 32) annually to take extended holidays in Ireland for up to a year, and to take employment as an incidental aspect of this stay. The aim of the scheme is to introduce young Chileans to the people, culture and landscape of Ireland and to allow them to work and study English or Irish there. Participants will have one year from date of issue of the authorization to enter Ireland. A similar scheme operates from Ireland to Chile.

Due to the fact that the programme has been closed due to the COVID-19 pandemic, there will be 200 vacancies on the programme (in two rounds of 100) on an exceptional basis in 2022. The age limit for the 2022 programme has also been raised to 32 on a one-off basis.
