## Application Decisions:

Decisions for period from 08/03/2020 to 14/03/2020

Classification: DJELR

Mission: London

1. The failure to submit sufficient supporting documentation in the following areas has diminished the overall credibility of your application;

- Employment documents
- Evidence of a reference in Ireland

2. The quality of supporting documentation submitted by you in the following areas has diminished the overall credibility of your application;

- Financial documents
- Employment documents

3. Inconsistencies in the information supplied in support of your application have been noted by the visa officer and have diminished the overall credibility of your application. Inconsistencies have been noted in the following areas;

- Your last visa application was to visit a church in Ireland which you have a connection to. You have applied for a multiple journey visa which would imply that you wish to visit Ireland again in the future. It seems inconsistent that you would now state that you have no connection in Ireland.

4. The visa officer has examined the evidence submitted by you in support of your application and has found no credible reason for the proposed trip. The following information has been considered as part of this decision;

- Your travel history
- Your itinerary

### B - Finances

1. The financial documentation submitted in support of this visa application has not been deemed sufficient.

2. The majority of the money available to you for this trip has been lodged to your account in lump sums within the past 90 days, and no explanation as to the source of this money has been provided.

### C - OB/OC

1. Information available to the visa officer concerning your immigration history has diminished the overall credibility of your application. The visa officer has considered the evidence of ties to your country of ordinary residence submitted, however this has not been sufficient to satisfy the visa officer, on the balance of probabilities, that you are likely to observe the conditions of any visa granted.

2. Information supplied by you concerning your personal, economic and family circumstances has been insufficient to satisfy the visa officer that you would observe the conditions of any visa granted, with particular regard to the use of public funds and public resources.

3. Information available to the visa office concerning your UK immigration history, along with your personal, economic and family circumstances, has diminished the overall credibility of your application. As such, the visa officer is not satisfied that you will observe the conditions of any visa granted, with particular regard to the maintenance of the integrity of the Common Travel Area.

4. The visa sought is for a specific purpose and duration:- the applicant has not satisfied the visa officer that such conditions would be observed. The visa officer is not satisfied that the sole purpose of your intended travel to Ireland is genuine tourism. As such, the visa officer is not satisfied that you will observe the conditions of any visa granted, with particular regard to the maintenance of the integrity of the Common Travel Area.
