Information available to the Visa Officer would indicate the sponsor was previously married however a divorce certificate has not been submitted. Therefore the Visa Officer cannot ascertain her marital status at time of marriage to applicant.</p> <p>As per relationship summary the applicant and sponsor state that they knew each other when they were younger and they met again in 2016 while the sponsor was visiting the applicant's country of residence France. They further state that the sponsor visits with the applicant every month, they have holidayed together in other European countries and have also visited the applicant's home country of Cameroon together however there is no documentary evidence of same. As per applicant's current Cameroonian passport the Visa Officer notes that immigration stamps demonstrate he was in Cameroon from 06/02/2020 to 26/02/2020 and from 06/11/2020 to 22/11/2020 however there is no documentation submitted to suggest that the sponsor was in Cameroon at these times. Sponsor has failed to submit full copy of current Irish passport.</p> <p>RH:- Relationship History As per Section 5.3 of the Policy Document on Non-EEA Family Reunification the onus of proof as to the genuineness of the family relationship rests squarely with the applicant and sponsor. In general, for immigration purposes, a relationship must include a number of face to face meetings (excluding webcam) between the parties. Full account of relationship history between applicant and sponsor not submitted. The onus rests with the applicant to demonstrate that the relationship is bona-fide and sufficient for immigration purposes.</p>

- Irish citizens to migrate on a long-term basis to Ireland. Your case has been fully examined on the basis of the documentation submitted and it has been decided not to grant your application.
- It is noted that the sponsor arrived in Ireland in 2002 and claimed asylum. He was granted permission to remain as the parent of an Irish citizen child in 2005, and received Irish citizenship in 2012. His divorce from his previous wife was finalised 30/12/2019. They had at least 4 children together. The applicant was also previously married. A nullity of marriage certificate was submitted dated 17/12/2015. Information submitted indicates that the applicant and sponsor began messaging in September 2019. The sponsor stated that he travelled to Nigeria to meet the applicant in November 2019. Stamps in the sponsor's passport indicates that he did travel to Nigeria at this time, however insufficient evidence has been submitted to demonstrate that he met with the applicant at this time. Sponsor did not visit Nigeria again until their wedding in November 2020. Applicant and sponsor state that they married on the 16/11/2020, they submitted their marriage certificate and wedding photos of both the traditional and legal wedding. They applied for a join family visa in January 2021.

- Full documentary account of relationship history between applicant and sponsor not submitted.
- Sufficient evidence of sponsor having visited applicant in country of residence prior to marriage not submitted.
- Evidence of sponsor's income from 2020 not submitted.
- Evidence that the sponsor was not totally or predominantly reliant on benefits from the Irish State for a continuous period in excess of 2 years immediately prior to the application was not submitted.

INCO:- Inconsistencies e.g. contradictions in the information supplied.

- Sponsor stated that he visited the applicant in Nigeria in November 2019. Passport stamps indicate he arrived in Nigeria on the 5/11/2019 and left on the 22/11/2019. No clear evidence was submitted that he met the applicant at this time. The sponsor submitted his bank statement from Permanent TSB which covers the period 27/09/2019 to 16/12/2020. A number of transactions can be seen in this account which indicate that the sponsor's bank card was in use in Dublin during the time he states that he was in Nigeria, such as 6/11/19 ATM withdrawal of €300 in Clondalkin, 13/11/19 ATM deposit of €500 in Tyrelstown, 15/11/19 ATM withdrawal of €300 in Tyrelstown, and 19/11/19 ATM deposit of €520 in Tyrelstown. It is not understood how he could be in Nigeria when his personal bank card for an account that is solely in his name was in use in Dublin.

- The sponsor submitted an emergency travel certificate valid for travel into Nigeria on the 11/11/2020 and a passport issued 16/11/2020 with the exit stamp dated 09/12/2020. They submitted a marriage certificate dated 16/11/2020 and 31 photos which appear to be of the traditional and legal marriage ceremony. However, his Permanent TSB bank account shows transactions that indicated his card was in use in Dublin during this period. It is not understood how he could be in Nigeria when his personal bank card for an account that is solely in his name was in use in Dublin.

- An original marriage certificate was submitted in support of the application. It was registered at the Owerri Municipal Council, Owerri in Nigeria on the

Non-EEA nationals with permission to reside in the State to migrate on a long-term basis to Ireland. Your case has been fully examined on the basis of the documentation submitted and it has been decided not to grant your application. It is noted the applicant is an adult and as such, is not normally considered as an immediate family member for the purpose of reunification. The Policy Document states in Section 13.2(a) that immediate family consists of a spouse and children under the age of 18. The Policy Document further clarifies in footnote 11 that the maximum age can be extended to 23 where the child is in full-time education and remains dependent on the parent. The applicant was 20 years old at the time of the application, has not submitted evidence that they are enrolled in full-time education and has not sufficiently demonstrated they are dependent on the sponsor. Applicant has failed to demonstrate any special circumstances that would warrant an exception. Visa Officer notes letter from applicant's College is dated 04/01/2020 and there is nothing submitted to suggest they are enrolled in education for the 2020/2021 term. Furthermore as per Section 6.1 of the Policy Document on Non-EEA Family Reunification the longer the elective separation the weaker must be the claim to reconstitute the family in Ireland. Visa Officer notes applicant was 9 years and 2 months old when sponsor first arrived in Ireland. No evidence has been submitted to suggest they have seen each other since.
