It is noted that, were this visa to be granted, it would be the first occasion of such travel and in the experience of the Appeals Office this is not the typical travel pattern of a genuine tourist.

35976512	Refused	<p>SP:- Need to undertake the course in this State not demonstrated or warranted - you have not satisfied the visa officer that it is appropriate to issue a visa for under-graduate study over a prolonged period - the applicant has not satisfied the visa officer that there are sufficient finances in place to fund tuition and cost of living for the duration of this course</p> <p>F: -Applicant has demonstrated limited evidence of personal finances and finances shown largely belonged to relatives who are under no compelling obligation to sustain applicant whilst he/she is in Ireland. - Despite the financial evidence submitted from your mother and your brother in the UK, it is not clear that their sufficient finances in place to support a prolonged period of undergraduate study. You have submitted no evidence of income from either sponsor which would satisfy a Visa Officer that they are in a position to fund your studies going forward. You have submitted insufficient ID for your brother in the UK which demonstrate their permission to reside there. A driving licence does not demonstrate this.</p> <p>F: - the Visa Officer is not satisfied (given the 'loan-to-savings' ratio and/or the levels of verifiable income & savings demonstrated) that the application is financially viable</p> <p>F: - Financial evidence submitted does not demonstrate how such significant investment in this course in Ireland would contribute significantly to your employment prospects and income in in your own country</p> <p>OB – Obligation to return - Based on the submitted documentation, it is the considered opinion of the Visa Officer that the financial burden associated with your course of study appear to be so onerous as to eliminate the possibility of an obligation, or choice, to return to your own country after any proposed course of study in Ireland. Whilst the applicant may have the option of staying behind under the student graduate scheme it is not, or never was, the intention of any such scheme that circumstances may compel any student to stay behind in order to fulfil and service their onerous financial obligations. It is open to serious doubt, based on the information provided, that the applicant can afford to study this course in Ireland without opening themselves and/or their family or sponsors up to a serious level of financial risk. It is not desirable that an applicant should be put in that situation.</p> <p>OC: - Observe the conditions of the visa - the visa sought is for a specific purpose and duration. The Visa Officer has examined and considered all the documentation submitted with reference to your circumstances in your own country. You have not sufficiently satisfied the Visa Officer that your primary objective is to pursue a course of studies, nor that the economic opportunities in your country of origin would encourage you to leave Ireland after this course of study is completed</p> <p>OB:- Obligations to return to home country have not been deemed sufficient</p> <p>OC:- Condition - The applicant may branch into the Common Travel Area between Ireland and the UK.</p> <p>PR:- The granting of the visa may result in a cost to public resources</p>

Our website, www.inis.gov.ie, provides a list of the information/documents that should be submitted with each type of visa application. In the event of a refusal, the reasons therefor should also be referred to for guidance. For example, but not limited to, the applicant has provided no evidence of the two companies which he states he is involved in. *In response to this refusal reason the applicant has submitted a Certificate of Registration of the Business Name, and a bank statement. The applicant also submitted a copy of a birth certificate for his purported brother. The appeals officer is not satisfied with the documents provided, as the applicant would have required a birth certificate to gain his passport. No such document was submitted. 36187842	Refused	<p>F:- Finances:- evidence provided is deemed insufficient or incomplete - The applicant's sponsor has provided no evidence for the source of his finances. ** The applicant provided a copy of the sponsor's Corporate Affairs Commission document, however, did not provide evidence of banking accounts for the business mentioned. The applicant also failed to submit trading documents for the sponsor as evidence of consistent source of income.</p> <p>- The applicant has submitted 2 personal bank statements in support of this application. The visa officer notes that there are large lodgements to his Diamond account, which do not appear to relate to his stated employment and for which he has provided no explanation and supporting evidence. ** The applicant states in his response to the refusal that he earns a commission on sales, however, in the employment letter provided this information is not stated. The applicant submitted order books for the pharmaceutical company where he works, however, this does not explain the transactions as mentioned in the refusal. The applicant also states one of the transactions was a voluntary contribution by his father, however, the applicant has not provided a letter from his father stating this. The appeals officer is not satisfied that the explanations and books are sufficient evidence of lodgements to the applicant's account.</p> <p>ID:- Insufficient documentation submitted in support of the application:- Our website, www.inis.gov.ie, provides a list of the information/documents that should be submitted with each type of visa application. In the event of a refusal, the reasons therefor should also be referred to for guidance. ** As outlined in other refusal reasons, the applicant has not submitted the documentation required.</p> <p>OB:- Obligations to return to home country have not been deemed sufficient</p> <p>OC:- Condition - The applicant may overstay following proposed visit.</p> <p>OC:- Observe the conditions of the visa - the visa sought is for a specific purpose and duration:- the applicant has not satisfied the visa officer that such conditions would be observed.</p> <p>R:- No clear link to reference has been shown - No evidence of how the applicant is known to his sponsor has been submitted. In addition, the visa officer does not find it plausible that a sponsor would spend over €20,000 of his €60,000 personal finances to fund the study of someone who previously worked for him for only 1 year, particularly as he states he sponsors "2 students yearly".</p> <p>* The applicant failed to provide evidence of link to sponsor in his appeal.</p> <p>SP:- Gaps in education or employment not accounted for - No substantive evidence has been submitted to show what further education or employment the applicant undertook since attaining his primary degree in 2014. * The applicant did not supply of letter of previous employment or payslips for his prior employment. The appeals officer notes that the applicant states he worked with his sponsor, however, no evidence of same was provided with the appeal.</p> <p>SP:- Previous educational or employment background is at odds with course applied for - . The applicant was refused a visa to Australia in February 2018 and has submitted the relevant refusal letter. The visa officer notes that his intended course of study at that time was a Master of Environment; however, he has now applied for a Master of Science in International Pharmaceutical Business Management and his personal statement in support of this application infers that he has always had an interest in the pharmaceutical business; he states that his father runs such a business in which he was employed while he studied and that he has worked in a health care company since September 2017. Given his stated long-held interest in the pharmaceutical industry, the applicant has submitted no explanation for why he applied for a completely different course of study less than 5 months ago. *The applicant has not submitted sufficient evidence in support of his change of course of studies over this short period of time. The appeals officer is not satisfied with the explanation provided.</p>

36208402	Refused	<p>IH:- Immigration history of applicant OC:- Condition - The applicant may branch into the Common Travel Area between Ireland and the UK. OC:- Observe the conditions of the visa - the visa sought is for a specific purpose and duration:- the applicant has not satisfied the visa officer that such conditions would be observed.</p> <p>The applicant has declared that he was refused leave to enter the UK on 18/03/2018 and has provided the relevant documentation. The applicant states that he "overstayed my visit duration by 3 months without clearly understanding that I was disregarding the immigration laws in a foreign country by engaging in work". The visa officer is not satisfied with this explanation. The applicant states in his curriculum vitae that he has been working in his father's company from "2012 - Till Date", but this is a clear contradiction of what he states in his letter of explanation which is that he "volunteered to assist" his aunt and "work as a caretaker for old people" in her company while on a visit in May 2017. His then UK visa, which clearly stated "NO WORK", expired on 01/11/2017, yet the applicant would appear to have continued to work illegally and did not leave that jurisdiction until 18/02/2018. In addition, it appears that on his arrival back in Nigeria the applicant immediately applied for and was granted another visit visa valid 20/02/2018 to 20/02/2020; he travelled back to the UK on 19/03/2018 and was refused leave to enter, detained and removed on 21/03/2018. Taking all of the aforementioned into consideration, the visa officer is not satisfied that the applicant's true intentions are to study in Ireland and therefore has concerns that the applicant may not observe the conditions of this visa, if granted.</p> <p>**The applicant has submitted an appeals letter in response to his refusal of a visa. The applicant has not submitted sufficient evidence in response to these refusal reasons. The Visa Appeals Officer has noted the documentation and explanations submitted by the applicant, however, sees no valid reason for overturning the initial decision to refuse his visa.</p>

There are outstanding fees of €3k to be paid for the applicant's course of study; in addition, it is estimated that the cost of living for a student for a 1 year course of study is in the region of €7k and flights would be approx. €1.2k. While the applicant's sponsor in Ireland has provided a bank statement showing funds in excess of €11.8k, the visa officer notes that the amount required by the applicant for the forthcoming academic year is €11.2k approx. [including flights] which would mean the sponsor using most of his personal savings to fund the applicant's 1 year Higher Certificate course. The visa officer is not satisfied that this is plausible, particularly if the sponsor is married and has his own family to support.*In response to this refusal reason, the applicant submitted an updated bank statement for his uncle. The appeals officer notes that the balance in this account has increased with large lodgements after the date of refusal for the applicant. The funds are not consistent within the account and is not deemed sufficient to maintain the costs of living for the applicant, and any other dependent family members within in the uncle's family. The applicant has not supplied any documentation in relation to this refusal, as per INIS requirements.</p> <p>INCO:- Inconsistencies e.g. contradictions in the information supplied - In the statement of purpose the applicant states his CGPA is 3.55. According to the transcript submitted by the applicant, his CGPA is 3.61. There is no explanation given for this contradiction.</p> <p>The applicant submitted 2 passports. One passport in the name of Samuel Benjamin Yakura, expiry 10/11/2016. Another in the name of Samuel Peter Yakura, expiry 27/02/2022. The applicant submitted an affidavit of change of name dated February 2017, stating he was formerly known and called Yakura Samuel Benjamin and, going forward, wanted to be known as Yakura Samuel Peter. However, the applicant's birth certificate, which is dated as 19/12/1994, and predates the affidavit, clearly shows the applicant's name as Samuel Peter Yakura. There is no evidence or documentation submitted which shows the applicant's name was changed after the registration of his birth, replacing Peter with Benjamin. This inconsistency has not been explained with supporting documentary evidence.</p> <p>OB:- Obligations to return to home country have not been deemed sufficient - The visa officer is not satisfied the applicant has provided sufficient evidence that they will return to their home country following their proposed course of studies.</p> <p>OC:- Observe the conditions of the visa - the visa sought is for a specific purpose and duration:- the applicant has not satisfied the visa officer that such conditions would be observed.</p> <p>SP:- Gaps in education or employment not accounted for - As per INIS requirements, the applicant has not provided documentary evidence of gaps in study/employment between 2016-2017.</p>

36374972	Refused	<p>A – Information – As outlined on the INIS website</p> <p>1. The visa officer has been unable to adequately establish the credibility of the reason for travel provided due to the failure to provide sufficient supporting documentation in the following areas;</p> <p>Financial documents Application letter Evidence of ties to your home country Evidence of sponsor's circumstances</p> <p>2. The quality of supporting documentation submitted by you in the following areas has diminished the overall credibility of your application;</p> <p>Employment documents Evidence of registration at the event Accommodation booking</p> <p>3. The visa officer has examined the evidence submitted by you in support of your application and has found no credible reason for the proposed trip. The following information has been considered as part of this decision;</p> <p>Your financial situation The cost of the proposed trip Your family circumstances Your employment details The relationship between your employment and the proposed event Your travel history Your itinerary</p> <p>B – Finances</p> <p>1. No personal financial documentation has been submitted.</p> <p>2. No business financial documentation has been submitted.</p> <p>C – Obligations to return home and observe the conditions of your visa</p> <p>1. The visa officer has considered the information submitted in support of your application and has found insufficient evidence of strong obligations to return to your home country. The following information has been taken into consideration;</p> <p>Your family circumstances Your employment details Your financial situation Property owned or rented by you Other social, economic or professional ties to your home country</p> <p>2. As the visa officer is not satisfied of the need for you to attend the proposed event in Ireland, there is insufficient evidence of a genuine reason for this visit. The visa officer is therefore not satisfied that you will observe the conditions of this visa, namely that you will attend the proposed event and no other activities. The visa officer has considered the evidence of ties to your home country submitted, however this has been deemed insufficient to satisfy the visa officer, on the balance of probabilities, that you are likely to observe the conditions of any visa granted.</p>

It is highly unusual in the context of Tourists visiting Ireland that they would have little or no travel history, particularly to Europe or the Americas. Consequently, the Visa Officer cannot be satisfied that the conditions of the visa would be observed.</p> <p>OC:- Observe the conditions of the visa - The Visa Officer is of the opinion that the applicant's primary motivation for travel may result in the conditions of the visa not being observed, and that there is a strong possibility the applicant will overstay in Ireland or seek to access another jurisdiction without permission</p> <p>PR:- The granting of the visa may result in a cost to public resources</p> <p>R:- dates for event/course have passed</p>
